Dear Sir/Ma'am,

The company is pleased to announce the new brand "Vestria" for young women of the Globe in partnership with leading Jewellery firm Sky Gold Ltd.

Varanium Cloud Limited's e-commerce as a service – "Tug Digital" is expanding into the world of Gold Jewellery with a new brand "VESTRIA" to hit the market by Q4 2023.

Vestria will launch its first collection of Rooted Modernism - a mix of earrings, neck pieces, rings and bracelets that straddle the world of authenticity of the old and interpretations of the new. Designed and developed keeping in mind the young, vibrant, confident women of Globe, Vestria aims to break the stereotype that gold can only be purchased by a certain age group. Backed by certificates and quality control regulations, Vestria will showcase a range of 18 karat as well as 22 karat jewellery pieces.

Tug Digital's extensive D2C services covering entire brand identity development, storage and warehousing, packaging, shipping, social media marketing and customer relationship management services, along with Sky Gold Ltd' global influence will result in a light yet fun & elegant collection that will take the young woman's personal wardrobe to the next level.

We request you to take the same on record.

Thanking You.
Yours Faithfully,

FOR, VARANIUM CLOUD LIMITED
